- Got here by clicking:
 - Daytime
 - Rankings
- This page shows how each player in the league has performed
- There are 3 performance parameters: Rank, Total Points, and Rating
- Rank: your current position on the ladder
- Total Points: the accumulates points your have won this session
- Rating: an independent measure of your playing prowess relative to the other ladder players
- Performance History: Old Rank:Points:Wins
 - E.g. Steve H for week3 = 4: 37 : 3
 - He was ranked 4th, he got 37 pts this week, and won 3 games in his match
 - If you did not play on a given week, e.g. 2: b, the numbers are your old rank and a 'b' for bye

Weekly Scores

- Got here by clicking:
 - Daytime
 - Scores
- Each match consists of 3 games played to 15 (or 11), win by 1
- This page show the score for all the matches played on a given week
